## **Recreational Trails Program - Department of Natural Resources**

The Recreational Trails Program was authorized in the 2005 Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). The Recreational Trails Program is a federal-aid assistance program that helps states provide and maintain recreational trails for both motorized and non-motorized recreational trails uses. Annual funding for this program is approximately \$1,000,000. The program provides funds for many recreational trail uses, such as pedestrian (hiking, running, wheelchair use), bicycling, in-line skating, equestrian, cross-country skiing, off-road motorcycling, all-terrain vehicle riding, and four-wheel driving. The Department of Natural Resources holds a competitive grant round each year and distributes the funding in response to recreational trail needs within the state. The Recreational Trails Program encourages trail enthusiasts to work together to provide a wide variety of recreational trail opportunities.

The fiscal year 2005 Missouri grantees, approved in the fall of 2005, are shown in the tables on the following pages. Federal fiscal year 2006 projects will not be selected until the fall of 2006. If approved, they will be added to the Statewide Transportation Improvement Program through the amendment process.

For a grant application or to address questions regarding the Recreational Trails Program, call Missouri Department of Natural Resources, at (573) 751-3442.

## Recreational Trails Program FY2005 Grant Recipients

Grant #	Project Sponsor and Scope of Work	Project Cost	Grant Award
FY2005-01	<b>Missouri Department of Conservation</b> <i>Creation of Equine Trail Maintenance and Construction Guides</i> Statewide-11 Study areas Develop a maintenance and construction guide for equestrian trails in Missouri to increase the safety of these trails and reduce negative environmental impacts. Project includes: research, data collection, analysis, drafting and production of the guide book.	\$161,000	\$45,000
FY2005-02	<b>Osage Region Trail Association, Inc.</b> <i>Cedar Creek Trail - Extension, Modification and Reclamation</i> Callaway County Re-route and maintain several places of existing trail; construct approximately 4 miles of natural surface trail; and equipment purchase to include: mechanized trail building unit with attachments, hand tools, and GPS unit.	\$66,040	\$24,676
FY2005-03	<b>City of Excelsior Springs</b> <i>Siloam Mountain Trail Phase II &amp; Fishing River Linear Park</i> Clay County Construct approximately 800 linear feet of boardwalk and 400 linear feet of hard surface trail, all 8 feet in width. Convert approximately 3,700 feet of existing asphalt trail to concrete.	\$215,535	\$100,000
FY2005-04	<b>City of Columbia</b> <i>Garth Nature Area Trail Project</i> Boone County Develop a 10-foot wide gravel nature trail approximately 5,500 feet in length to include signage, benches, and drinking fountain.	\$70,000	\$42,000
FY2005-05	<b>City of Salisbury</b> <i>Pott's Memorial Park Trail Project</i> Chariton County Renovate approximately one mile of trail by increasing width, installing bridges, and adding an outdoor classroom, benches, signage, and trash receptacles. Extend the trail by approximately 575 feet to connect to a parking area.	\$47,431	\$27,738
FY2005-06	<b>City of Smithville</b> <i>Lake Remote Trails and Nature Area Improvements and Extension</i> Clay County Renovate approximately 1.25 miles of crushed rock trail by overlaying asphalt. Construct approximately .85 miles of asphalt trail to connect with the Clay County trail system, to include benches and trash receptacles.	\$162,983	\$98,339

<b>Grant #</b>	<b>Project Sponsor and Scope of Work</b>	<b>Project Cost</b>	<b>Grant Award</b>
FY2005-07	<b>Ozark National Scenic Riverways</b> <i>Devils Well - Cave Spring Loop Trail &amp; Trailhead</i> Shannon County Construct approximately 1.9 miles of natural surface trail to include 4 foot bridges. Renovate trailhead to include interpretive kiosks, picnic sites, ADA accessible paths, viewing platform, drinking fountain, ADA accessible restroom, and two short loop trails.	\$86,570	\$51,942
FY2005-08	<b>City of Herculaneum</b> <i>Joachim Loop Trails</i> Jefferson County Construct a 10-foot wide hard surface trail approximately 1.5 miles in length to include information kiosk, signage, benches, and trash receptacles.	\$113,774	\$67,960
FY2005-09	<b>City of Joplin</b> <i>Metropolitan Bicycle Pedestrian Plan (Wildcat Park-McIndoe Park Section)</i> Newton County Construct an 8-foot wide crushed limestone surface trail approximately 1.1 miles in length to include several parking areas, bridges, and signage.	\$154,910	\$92,946
FY2005-10	<b>City of Jefferson, Dept. of Parks</b> <i>Ellis Porter/Riverside Park Greenway Trail Extension</i> Cole County Construct/renovate a 10-foot wide concrete surface trail approximately 4,250 feet in length.	\$267,750	\$58,000
FY2005-11	<b>City of Hazelwood</b> <i>Missouri River Greenway-St. Stanislaus/Truman Park Connector</i> St. Louis County Construct a 10-foot wide asphalt surface trail approximately 1,700 feet in length to include signage, bollards, benches, rest area, and trash receptacles.	\$128,707	\$77,224
FY2005-12	<b>City of Houston</b> <i>The Brushy Creek Trail</i> Texas County Construct approximately 1,680 linear feet of crushed limestone surface trail.	\$138,300	\$70,000
FY2005-13	<b>City of Bowling Green</b> <i>Master Plan Area Four; Path System</i> Pike County Construct an 8-foot wide limestone chip surface trail approximately 1.2 miles in length to include drinking fountains, trash receptacles, benches, and landscaping features.	\$113,417	\$68,424

<b>Grant #</b>	<b>Project Sponsor and Scope of Work</b>	<b>Project Cost</b>	<b>Grant Award</b>
FY2005-14	<b>City of Sugar Creek</b> <i>La Benite ATV/Motorcycle Trail</i> Jackson County Construct approximately 3.5 miles of motorized trail to include trailhead parking, security fencing, entry gate, trailhead office, signage, primitive camping area, and equipment purchase of maintenance utility vehicle and ATV.	\$129,920	\$67,020
FY2005-15	<b>U.S. Forest Service</b> <i>Chadwick Motorcycle &amp; ATV Trail Maintenance and Rehabilitation</i> Christian County Maintain and rehabilitate motorized trail system to include signage.	\$87,200	\$66,098
FY2005-16	<b>Missouri Dirt Riders</b> <i>Trail Equipment Storage</i> St. Francois County Construct two trail maintenance storage facilities.	\$29,941	\$20,000
FY2005-17	<b>Midwest Trail Riders Association</b> <i>VTRA Construction Equipment</i> Iron County Trail maintenance equipment purchase to include: 4x4 tractor, front end loader, box blade, two generators, and gravel.	\$29,287	\$23,429
FY2005-18	<b>Mid State Trail Association</b> <i>ROPAKE2005</i> Multiple Counties Conduct trail mapping, trail maintenance/renovation/rehabilitation, and monitoring at numerous trail locations. Project also to include equipment purchase of: two ATVs, one off-road utility vehicle, chainsaws with accessories, talk radios, GPS mapping device and software, hand tools, weed trimmer, leaf blower, equipment attachments. insurance. and trailers.	\$58,733	\$45,910
FY2005-19	<b>Friends of St. Joe State Park/MO Dirt Riders</b> <i>Communication Equipment for St. Joe State Park</i> St. Francois County Trail maintenance equipment purchase of 15 two-way radios with batteries, remote speakers, and accessories.	\$16,046	\$12,836
FY2005-20	<b>Friends of St. Joe State Park</b> <i>Maintenance Equipment for St. Joe State Park</i> St. Francois County Trail maintenance equipment purchase to include: one cargo trailer, one roller compactor, 2 ATV's with accessories, work crew safety gear, hand tools, chain saws, and insurance for ATV's and trailer.	\$44,088	\$35,270

## **Federal Lands Highway Program**

The Federal Lands Highway Program, as an adjunct to the Federal-Aid Highway Program, covers highway programs in cooperation with federal-land managing agencies. It provides transportation-engineering services for planning, design, construction, and rehabilitation of the highways and bridges providing access to federally owned lands. The Federal Lands Highway organization also provides training, technology, deployment, engineering services and products to other customers.

The Federal Highway Administration administers the Federal Lands Highway Program, including survey, design and construction of forest highway system roads, parkways and park roads, Indian reservation roads, defense access roads and other federal-lands roads.

The Federal Highway Administration, through cooperative agreements with federal-land managing agencies such as the National Park Service, Forest Service, Military Traffic Management Command, Fish and Wildlife Service and the Bureau of Indian Affairs, administers a coordinated federal-lands program consisting of forest highways, public-lands highways, park roads and parkways, refuge roads and Indian reservation roads. This program provides funding for more than 90,000 miles of federally owned and public authority-owned roads that serve federal lands. The agency's Federal Lands Highway Office provides program coordination, administration, and design and construction engineering assistance and directs the conduct of transportation planning and engineering studies.

The Eastern Federal Lands Transportation Improvement Program, without modification, is incorporated into the Statewide Transportation Improvement Program by reference.

The Transportation Improvement Program, and additional information about the Federal Lands Highway Program may be found at [www.efl.fhwa.dot.gov/planning/tip/projects.htm](http://www.efl.fhwa.dot.gov/planning/tip/projects.htm)
